Kids' Zone 2024 - 2025

ENROLLMENT PROCEDURES

Kids' Zone applications will be accepted during the early application kick-off week every year. Priority is given to students who will attend 5 days/week, then students will be considered in order of the days requested per week. Students are not admitted on a first-come first-serve basis. Signing up for 5 days/week and changing to less days at a later date may result in placement on the waiting list. Please sign up for only the days you need. Applications will be accepted after the kick-off week, but you may be placed on a wait list. Should a space become available during the school year, we require two full working days to process applications and payment before your child may begin. Enrollment is limited to the number of students for which the program is licensed.

- The Kids' Zone early application kick-off window is May 23-31, 2024. Families will receive notice of acceptance into the Kids' Zone program after June 10, 2024.
- Applications for Kids' Zone 2024-2025 may be submitted by downloading and completing the forms from www.berkleyschools.org/kidszone. They can be dropped off in person at Building Blocks (14700 W. Lincoln, Oak Park), or via email to andrea.megroet@berkleyschools.org. We will send an email to let you know we received your application.
- When you receive notice of acceptance into the Kids' Zone program, enrollees are required to pay the \$60/ individual or \$100/ family non-refundable registration fee. There is a 10% discount for siblings. The first month's tuition will be due by September 1st.
- Kids' Zone will follow the traditional school calendar for students entering TK to 5th grade.
