

September, 2022

Dear Student,

Have you ever considered a career as a cosmetologist or hair stylist? Would you like to acquire training in hair care, treatments, cutting, and coloring? If so – GREAT NEWS – you can begin this training while still in high school!

Oakland Schools Technical Campus Northeast (OSTC-NE) has an excellent Cosmetology program for Oakland County high school juniors and seniors. High school students can earn hours toward the state-mandated 1500 hours of instruction, graduate from high school, and pursue post-secondary education opportunities toward their Cosmetology License from the State of Michigan.

If this program sounds like something you would enjoy and it aligns with your career goals, please plan to attend our Cosmetology Information Night for interested students and your parents/guardians. The Cosmetology Information Night will be held on **Thursday, November 17, 2022 beginning at 6:00 p.m.**

Our campus partners with all Oakland County high schools and we are located at 1371 North Perry Street, Pontiac, MI 48340. Enrollment for the 23-24 school year will begin at this event!

So, we can plan accordingly, please RSVP by Friday, November 11, 2022, either by clicking on the link and completing the Google form <https://forms.gle/k52d7BtjxxmF6TfcA>, or by phone (248.451.2710), or via email (Randy.Maddock@oakland.k12.mi.us). Feel free to contact me if you have any questions and we hope to see you on campus during this event!

Sincerely,

Randy Maddock
Counselor
OSTC-NE

Oakland Schools Cosmetology Program

Cosmetology is a 1500-hour program. For a student to complete the state hours required and to be eligible to test for the State Board Exam by the end of his or her senior year, below is the pathway option that we recommend:

- Three weeks of summer school (16 days – 7 hours per day) between Sophomore and Junior year
- Traditional AM or PM session during Junior Year (2.5 hours per day)
- Three weeks of summer school (16 days – 7 hours per day) between Junior and Senior year
- Traditional PM session + Extended Day 11:20 am to 4:20 pm during Senior Year (5 hours per day)

Note: The Extended Day Session is for 2nd Year Cosmetology students ONLY and students must make arrangements for their own transportation.

Topics/Skilled Areas

- **Science of Cosmetology (Functional Biochemistry)** (3rd Science may fulfill a graduation requirement)
 - Microbiology
 - Anatomy/Physiology
