

Room Parent Needed

We are looking for volunteer(s) for the 2020-2021 school year. We understand that this is an unusual beginning to the school year, but we are hoping to be back in the actual classroom ASAP. That being said, every PYP classroom has a designated Room Parent(s). They assist their teacher where/when help is needed, as well as relay information between parents, classroom and administration/PTSA. Ideally, if two parents volunteer, duties can be shared.

Duties may include but are not limited too:

- Coordinating classroom volunteer schedules (ie. take home folders schedule, copies)
- Planning class parties and events
- Communicating to parents about school-wide events and activities

If you are interested in this role for your classroom, please complete the attached form and return it to us directly at noruprooparentscoordinators@gmail.com by **SEPTEMBER 14, 2020**.

With your help we will be able to provide the extra support needed to make the school year run smoothly.

Please note, the Berkley district requires all volunteers undergo a background check every year before volunteering at Norup. This process is completed online. Find details here:
